Professional Summary

Motivated B.Tech Computer Science undergraduate skilled in Java, DSA, OOPs, DBMS, and Software Development. Hands-on experience in Android Development, REST API Integration, Spring Boot, PostgreSQL, and Firebase with strong problem-solving and teamwork abilities.

Education

B.Tech in Computer Science Engineering

September 2023 – May 2027

VIT Bhopal University

CGPA: 8.28 (After 8 Sem)

Schooling (UP BOARD)

April 2019 – April 2022

Young Stream Academy Inter College

Class X: 90.67% Class XII: 83.80%

Technical Skills

Languages: Java, Python, SQL
Backend: Spring Boot, REST APIs
Databases: PostgreSQL, Firebase

Core Subjects: DSA, OOPs, DBMS, OS
Mobile: Android, Flutter
Tools: Git, GitHub, Android Studio

Projects

Econnect12 – Student Management System

Android Application + Spring Boot + PostgreSQL

2024 – 2025

Role: Frontend Developer 🔄

- Developed responsive Android application interfaces using Java, XML, and Retrofit with REST API integration for seamless frontend-backend communication and CRUD operations.
- Improved application usability through clean UI design, smooth navigation, optimized data flow, and collaborative development using Git and GitHub.

Achievements

- Qualified for **Round 2 of TCS CodeVita Season 13**, one of India's premier competitive programming contests organized by TCS.
- Strong foundation in Data Structures and Algorithms with hands-on problem-solving experience using Java.

Experience

Event Coordinator, Electrical Vehicle Club

September 2024 – March 2025

VIT Bhopal University

- Coordinated technical events and workshops on emerging technologies.
- Key organizer for **Advitya**, the university's flagship cultural-technical fest.

Certifications

Android App Development Certification

May 2025 – June 2025

Imarticus Learning

Azure Data Fundamentals (DP-900)

May 2025 – June 2025

Microsoft
